SOCCER HEAD COACH

ABOUT ME

More than 8 years of experience as a Head Coach, Analyst, Goalkeeping Coach, Methodologist, and Sports Director in Spain. I have had the opportunity to work in diverse contexts, ranging from competitive women's football to high-level youth football in professional teams, as well as senior competitive teams.

I am methodical and professional, with a passion for teamwork. What defines me the most is creating a lifestyle where continuous personal and professional growth is the main characteristic. For me, enjoying the processes of learning and training involved in this sport is a genuine pleasure.
